SPONSOR IMPLICATION

Build brand familiarity with the host market while connecting with youth chess families and delegations from around Oceania.

The 2026 detailed age-group table uses 130 NZL entries and a 221 total; a conflicting federation summary lists 132 NZL / 223 total. Percentages use the reconciled dataset. Historical entries are not a proxy for sponsor impressions.

SPONSOR EXPOSURE

More than a logo on a poster.

A practical programme of deliverables across physical, digital and broadcast channels—with sponsor value measured after the event.

01

AT THE VENUE

Sponsor wall, event signage and meaningful visibility to players and accompanying families.

02

LIVE BROADCAST

Sponsor acknowledgement within HBCC-controlled tournament coverage, where available.

03

DIGITAL PRESENCE

Brand placement on selected event web pages, portal and communications.

04

SOCIAL MEDIA

Pre-event, live-event and post-event sponsor recognition.

05

EXHIBITION + ACTIVATION

Meet chess families, demonstrate services and showcase relevant products.

06

CEREMONIES

MC acknowledgement and selected presentation involvement for eligible tiers.

SIMPLE PRINCIPLE

The right package for the right objective.

Whether the objective is brand awareness, youth development, product engagement or on-site sales, benefits must be specific, achievable and agreed upfront.

Visibility and all broadcast, logo, promotional, exhibition and award rights are subject to event, venue and relevant rights-holder approvals. No future impression guarantee is made.
